ANTHAR KRIYA YOGAM

Babajis Kriya Yoga Second Initiation

April 24-25, 2027.

Squamish,

British Columbia.

Initiated Kriya Yoga Students are cordially invited to participate in the second level initiation into Babaji's Kriya Yoga in Costa Rica. This retreat is designed to teach you how to integrate Kriya Yoga into our daily life and to experience its fullness.

This training requires a natural environment and a prolonged period – apart from the preoccupations of daily life - to be effective. The training in mantras, in particular, demands an environment which has been filled with spiritual vibrations through devotional activities

This weekend will include a variety of activities: initiation into new techniques of pranayama and meditation, bandhas, and mudras, new techniques of meditation during daily life and sleep, a day of silence, group practice of the yoga postures, chanting around a sacred fire, lectures on Kriya Yoga. There will also be meditation and outdoor walks. It will reach its climax with the individual training in the "bija" (seed) mantras.

The Anthar Kriya Yoga retreat will reveal to you how to integrate Kriya Yoga into all of your daily activities: during meals, work and even sleep. The art of living through Kriya Yoga permits one to get rid of bad habits and hindrances to fulfillment. This weekend will deepen your appreciation of the Divine's manifestation in all five planes of existence.

A particularly inspiring setting to practice kriya yoga and receive initiation has been chosen to conduct this retreat.
