Practice of Kriya Yoga is independent of age, physical health, socio-cultural or religious background, and integrates into any other spiritual practice. – Initiation means to receive one's initial or deepening experiences with a practice in a safe and sacred setting from a teacher initiated in the lineage authorized to guide others in them. – Those powerful Tools with profound effect are given in person, specifically to you, and *only* for your own private use on yourself. – Your Ability to use them requires your initial training and your regular personal practice. Then you can and will experience the sacred magic of inner alchemy which words cannot describe.

"The Goal of life is happiness, peace, love, enlightenment – The desire for perfection comes forth from the Self, the image of God, which seeks to express itself through all humanity" -Yogi Ramaiah

KRIYA YOGA is a holy scientific art of inner alchemy for God, Truth union and Self-Realization. It was revived for today's humanity by a perfected grand master of India and spiritual world teacher, Kriya Babaji Nagaraj, nowadays taught in various branches of his disciples. It is a practical distillation of Siddhanta, a synthesis of ancient teachings of the Siddhas, India's mystic ageless sages and tantric Yoga adepts who have attained perfection, represented by Siddha Tirumular's 'Tirumandiram' Tantra Yoga, Siddha Boganathar's Yoga of secret internal alchemy, and Siddha Patanjali's famous 'Yoga Sutras', reflected in the South Indian

18 SIDDHA TRADITION.

THE TEACHER Chaitanya is Acharya in Babaji's Kriya Yoga Order of Acharyas and yoga teacher and has devoted himself intensively to the practice of yoga and meditation for a decade. He traveled for several years, lived in a yoga center he co-founded in Cusco Peru and devoted himself to Kriya Sadhana. He currently lives with his family in Lower Austria and runs the association and yoga ashram KriyaMandiram, where he regularly offers meditation retreats, hatha yoga courses, satsangs and initiations into Babaji's Kriya Yoga.

THE TEACHING

You receive clear instruction and practical training in using a series of essential yogic techniques (*Krijas*) to awaken, circulate, store and increase subtle energies and your life force, to purify, heal and strengthen your body, mind and intellect, to enhance awareness, to burn your *Karmas* and find your *Dharma*, to use the universal law of attraction, to accelerate the natural progression of Divine Consciousness into your human nature, to unfold your divine and human potential in all your bodies or levels of existence.

You realize your own inner experience as the most reliable authoritative source of wisdom, knowledge and empowerment.

You learn a powerful transforming magnetizing breathing technique (*kriya kundalini pranayama*) with six phases, seven meditation techniques (*dhyana*) to master the mind, postures (*asana*) to master the body, and in a sacred ceremony (*puja*) an invocation *mantra* to connect to the Grace of Kriya Babaji and your own Inner Guru.

THE LINEAGE

Babaji's Kriya Yoga Order of Acharyas, founded by M. Govindan Satchidananda, inspired by his teacher Yogi S.A.A. Ramaiah and Babaji, initiates in three progressive stages into a series of 144 comprehensive Yoga techniques (*Krijas*), which represent a five-fold path of Yoga, based on the teachings of Babaji and the 18 Siddha tradition.

The initiations are taught in intensive seminars as a day or a retreat program, starting with this first initiation.

A second initiation residential 3-day retreat introduces other qualities of integral Yoga, with a *mantra* initiation (*diksha*) and fire ritual (*yagna*), sacred silence (*mauna*), additional substantial pranayamas, training of awareness, and how to constantly practice Yoga in daily life.

A third initiation residential 9-day advanced retreat introduces a series of 144 Krijas, techniques to purify the bodies and develop subtle energy powers (*siddhis*) and the mystic states of consciousness in meditation (*samadhi*).

Repeating is appreciated by many participants to refresh or deepen and expand their experience, insights and knowledge and prepare for attending the next stage.
