

Babaji's Kriya Yoga Order of Acharyas

KRIYA YOGA PILGRIMAGE TO THE HIMALAYAS

September 25, 2026, to October 10, 2026, with Acharya Ramadevar

Due to the overwhelming interest in our past Himalayan pilgrimages, **Acharya Ramadevar** will lead another group of Kriya Yoga initiates on a sacred journey to **Badrinath**, a place deeply associated with Babaji's life and realization.

This pilgrimage offers an unforgettable experience in the homeland of Yoga, where Babaji's Kriya Yoga was first revealed. Participants will be comfortably lodged in the **11 apartments of our new Badrinath Ashram**, situated near the Tibetan border at an altitude of 10,000 feet.

 **Purpose of the pilgrimage** A pilgrimage is a journey to draw closer to the Divine by meditating in sanctified places that serve as terrestrial "doorways" to the Infinite. In Badrinath, blessed by the practices of countless yogis and saints, one may easily experience the Divine Presence.

Daily practice

- Group Kriya Yoga and satsang sessions in the Ashram's meditation halls (twice daily).
- Outings to sacred sites: Vasudhara Falls, Vyasa Gufa, Neelakantan Peak, Badrinath Temple, and the hot springs bathing ghat.
- Focused sadhana in Badrinath and Mana, the doorway to Babaji's etheric Ashram at Satopanth Tal.

Comfort & travel

The pilgrimage is scheduled after the monsoon, when Himalayan weather is most pleasant, cool days with a few crisp evenings. Hotels have been carefully chosen for comfort and Western-style facilities. Ground travel will be by comfortable bus, with several days in Rishikesh/Haridwar for acclimatization before the two-day drive to Badrinath.
